

Worship Service Team Description

Service Title: Lector
Reports to: Lector Worship Service Team Leader
Responsible for: Assisting during the worship service.

Position Purpose:

The Lector will assist with the reading of scripture, leading the prayers of the people, and distributing wine during a service,

Qualifications:

A lector must be able to read clearly and with a steady speed to help guide the congregation through the prayers of the people.

Responsibilities:

- Arrive early to make sure that you can join the worship team for prayer.
- Read the liturgy sent out during the week to become familiar with any difficult names/places in the readings and prayers that might trip you up.
- Be prepared during the service to know when to come up for the readings and prayers.
- Read the scriptures clearly with a loud enough voice for people to hear while also reading at a speed that is easy for people to follow.
- Know when to walk up to the lectern and when to be seated.
- When directed, assist with serving wine for communion to the congregation.
